

# THE DRS. DENNY BYRNE & NANCY WARD SCHOLARSHIP

## AN OPPORTUNITY FOR YOU!

The L.D. Pankey Dental Foundation is proud to provide scholarships to emerging leaders in dentistry. Our scholarships are designed to help practicing dentists defray the cost of attending The Pankey Institute's Essentials Curriculum, a series of four advanced courses. Through these postgraduate courses, participants gain the clinical, leadership, management and influencer skills necessary to succeed in dentistry throughout their careers.

*"The Pankey Institute was a huge positive force in both our professional and personal lives. We look back on our time at Pankey not only with a deep sense of gratitude for all we learned but also for the many wonderful relationships we formed over the years. We look forward to helping create this opportunity for others."* - Drs. Denny Byrne & Nancy Ward
