"Have you ever imagined sitting in a room where you are surrounded by the best dentists in the world and they all wanted to get to know you!? This is the type of opportunity I received as a 2nd-year dental student as the Ozzie scholarship winner. Attending the Pankey Symposium was truly a priceless experience and I benefit every day from the people I met and mentorships I that were created & nurtured. The Ozzie scholarship gave me an opportunity to become a part of the Pankey family to excel as a dental student now and in my career as a dentist.
